

Abbreviated Curriculum Vitae **Professor Arjumand Warsy**

{ **Academic Qualifications**

1. **M.Sc.** (University of Peshawar, Pakistan) 1968
2. **Ph.D.** (Univ. of Nottingham, U.K) 1974
3. Fellow of the National Academy of Clinical Biochemists (FACB) 1987

{ **Conferences/Symposia/Workshops Attended:** Attended over 50

{ **Involved in the Organization of over 20 Symposia/Conferences/ Workshops**

{ **Research:**

- (a) **Principal Investigator in 3 projects**
- (b) **Co-Investigator in 5 projects**
- (c) Supervised thirteen Masters (M.Sc) Projects in Biochemistry
- (d) Co-Supervisor two Master (M.Sc) Projects in Biochemistry
- (e) Co-supervisor two Ph.D. Projects in Botany

{ **Teaching Experience:** Over 30 years of experience in teaching Biochemistry and Molecular Genetics to undergraduate and postgraduate studies:

{ **Distinctions**

- (i) First class first position for M.Sc degree at Department of Biochemistry, University of Peshawar, Pakistan.
- (ii) Awarded Commonwealth Scholarship to study for Ph.D degree.
- (iii) Awarded the 20th Century Award of Achievement in the field of Biochemistry and Genetics, by International Biographical Centre, Cambridge, England.

{ **Scientific Publications:PRIVATE** - Authored 4 Books - Over 210 papers published in Scientific journals

{ **Papers presented at conferences/Symposia** Over 250 papers presented at National and International conferences, Symposia, scientific and non-scientific meetings.

{ **Invited Reviewer for Scientific Projects and Scientific papers**
