

Within the International Scientific Partnership Program

Agenda

During the period 3.4/8/1443 (6.7/3/2022)

1 st Day: Sunday 3/8/1443 (6/3/2022)		
Targeted Audiences	Topic	Time
Faculty Researchers & Graduate Students	Introduction	09:00-09:05AM
	Lecture: Research Priorities at King Saud University Dr. Mohamed Hassan Mahmoud/ Deanship of Scientific Research.	09:05-9:35AM
	Lecture: Petrochemicals, Energy and Environmental Research: Towards the Circular Carbon Economy Prof. Othman Alothman/ Department of Chemical Engineering, King Saud University, Saudi Arabia	09:35-9:55AM
	Discussion & Debate	09:55-10:15AM
	Scientific Poster Presentation	10:15-10: 20AM
	Lecture: Agricultural Biomass Sustainable Materials for Packaging Applications Prof. Mohammad Jawaid/ Department of Biocomposite Technology, University of Putra Malaysia, Malaysia	10:20-10:40AM
	Discussion & Debate	10:40-11:00AM
	Scientific Poster Presentation	11:00-11:05AM
	Lecture: Fabrication of Fibrous Membranes and Their Environmental and Biomedical Applications Dr. Sajjad Haider/ Department of Chemical Engineering, King Saud University, Saudi Arabia	11:05-11:25AM
	Discussion & Debate	11:25-11:45AM
	Scientific Poster Presentation	11:45-11:50AM
	Lecture: Thermal Properties of Bamboo/Kenaf Fiber Reinforced Epoxy Hybrid Composites Prof. Mohammad Jawaid/ Department of Biocomposite Technology, University of Putra Malaysia, Malaysia	11:50 -12:10PM
	Discussion & Debate	12:10-12:25PM
Closing Remarks	12:25-12:30PM	

2 nd Day: Monday 4/8/1443 -7/3/2022		
Targeted Audiences	Topic	Time
Faculty Researchers & Graduate Students	Introduction	09:00- 09:05AM
	Lecture: Investigating the Aging of Nitrile Rubber NBR Reinforced with Date Palm Fibers Prof. Othman Alothman/ Department of Chemical Engineering, King Saud University, Saudi Arabia	09:05-09:25AM
	Discussion & Debate	09:25-09:45AM
	Scientific Poster Presentation	09:45-09:50AM
Graduate Students & New Researchers	Workshops: Literature Review and Thesis Writing Prof. Othman Alothman/ Department of Chemical Engineering, King Saud University, Saudi Arabia Prof. Zaid ALmutari/ Supervisor of the Center for Renewable Energy Technologies Prof. Mohammad Jawaid/ Department of Biocomposite Technology, Universiti Putra Malaysia, Malaysia	09:50-11:30AM
	Scientific Poster Presentation	11:30-11:35AM
Graduate Students & New Researchers	Open Session: Research-related Consultation Prof. Othman Alothman/ Department of Chemical Engineering, King Saud University, Saudi Arabia Prof. Zaid ALmutari/ Supervisor of the Center for Renewable Energy Technologies Prof. Mohammad Jawaid/ Department of Biocomposite Technology, University of Putra Malaysia, Malaysia	11:35-12:20PM
	Scientific Poster Presentation	12:20-12:25PM
	Closing Remarks	12:25-12:30PM
