

NAME	Maha Khaled Babbain
COLLEGE/ SPECIALITY	Science/ Biochemistry
ACADEMIC YEAR	Graduated

### CONTACTS

	babbainmaha@gmail.com
	0554254617
	Riyadh
	----

### ABOUT ME

I am a creative and enthusiastic Biochemist, passionate for science and knowledge ,Interested in Nanotechnology and Genetic research.

### EDUCATION

EDUCATION1	Bachelor Degree of Biochemistry, King Saud University
EDUCATION2	
EDUCATION3	

### WORK EXPERIENCE

EXPERIENCE1	
EXPERIENCE2	
EXPERIENCE3	

### Research Experiences

Bachelor degree research.

### LANGUAGES

Arabic  
English

### SKILLS

Communication skills ,Time Management, Scientific Research skills ,Analytical skills, Microsoft Office ,Utilize bioinformatics systems and Team worker.

TRAINING COURSES

Application of nanotechnology in the treatment of infectious diseases King Saud University

Jan 2019

Revlotron apparatus and its biophysical applications of the organism King Saud University

Jan 2019

Electron microscope tools,an overview on the SEM and TEM workshop King Saud University 7th International Chemistry Conference held at King Saud University

Nov 2018

Skills of preparing CV and personal interviews King Saud University

Jan 2019

Basic Techniques in Molecular Biology, King Saud University.

Jul 2018

Extraction and Measurement of Protein King Saud University

Jun 2018

Preparation of scientific research King Saud University

Feb 2018
