Riyadh, Kingdom of Saudi Arabia

ABOUT ME

A recently graduated Biochemistry student from King Saud University. I have developed excellent laboratory and research skills during my study and my training experiment and would like to continue developing research side to get benefit and also to contribute in the preparation of scientific research. I have an interest on the study of Genome and molecular biology, also interested in learning new things in different fields

EDUCATION

EDUCATION1	2015 - 2019 BSC in biochemistry, (GPA 4.44), with honors II Biochemistry department, College of Science, King Saud University, Riyadh, Saudi Arabia
EDUCATION2	
EDUCATION3	

WORK EXPERIENCE

EXPERIENCE1 (Training)	Training at Genome Research Chair from 1st to 26th of July 2018, King Saud University, Riyadh, Saudi Arabia.
EXPERIENCE2 (Training)	Training at Chair of Biomarkers and Chronic Diseases (CBCD) from 16st of June to 11th of July 2019, King Saud University, Riyadh, Saudi Arabia.
EXPERIENCE3	

Research Experiences

Graduation research under the title "Toxicity assessment of nanoparticles on liver functions in vitro"

LANGUAGES

Arabic / Native language
English / intermediate

SKILLS

Key I.T. Skills: MS Office, email and internet applications, use of bioinformatics tools include (NCBI, Primer3plus..ect.).
Personal skills: Organized, responsible, ability to work under pressure, flexible
